| PIA | Health & Family Welfare Dept. |
| Objective | To improve the healthcare services by provision of better clinical and diagnostic services. |
| Output (s) | <ul style="list-style-type: none"> Equipment for Paediatric ICU at MCH, Hospete - 51 nos. Equipment for Blood Bank at Hadagali Taluk hospital - 58 nos. HR for Blood Bank at Hadagali Taluk hospital for 1 year - 21 nos. (Rs. 122.79 Lakhs) |
| Justification | <ul style="list-style-type: none"> There is high demand for blood and blood components in the district due to severe anaemia in pregnant mothers, frequent accidents, low platelet counts due to dengue and other viral infections. However, there is no Govt. Blood Bank in entire Vijayanagara district. By providing essential Medical Equipment for Blood Bank at Taluk hospital, Hadagali and Paediatric ICU at MCH, the specialist doctors can provide better clinical and diagnostic services to the public. Since there are no sufficient funds with NHM or State Govt., this project is proposed for funding by KMERC. |
| Outcome (s) (Expected Measurable Benefits) | <ul style="list-style-type: none"> Improvement in clinical and diagnostic services. To meet the requirement of blood under Emergency. |
