

Project No. 1

Sector	Rural Roads
Project Name	Construction of CC Road and Drain in 9 villages of Gubbi Taluka in Tumkur District
Submitted by	PRED Division, Tumkur
Total Cost	INR 4.66 Cr.
Coverage	8 villages directly affected, 1 village nearby in Mining affected Gubbi Taluka
Project Duration	Short Term (< 1 Year)
P I A	PRED Sub-Division, Gubbi
Objective	Socio-economic development of the Mining-affected Villages through improvement in Road-connectivity.
Output (s)	No. of works = 9, CC Road Length = 4.66 Km, Width = 5.50 m, CC Drain = 6.00 Km
Justification	<ul style="list-style-type: none">• The proposed roads are within the Mining affected Gubbi Taluka.• They are damaged and required to be re-constructed. This would improve the Socio-Economic condition of about 7,873 population residing in the 8 directly affected and 1 indirectly affected villages by providing better connectivity and access to essential services.• Since the villages are in Mining affected area, this project is proposed under CEP Miz.
Outcome (s) (Expected Measurable Benefits)	<ul style="list-style-type: none">• Improved accessibility to Health / Education / Markets.• Increased employment / Business opportunity / Agricultural Income / small scale industries in the villages.• Reduced consumption of fuel and time savings.
