

<b>Sector</b>	<b>Development of Vulnerable Sections</b>
<b>Name of the Project</b>	Construction of new Anganwadis (74) and upgradation of old Anganwadis (8)
<b>Proposal submitted by</b>	Department of Women and Child Development
<b>Total Project Cost</b>	Approx. INR 27.51 Cr.
<b>Location</b>	Gubbi Taluk of Tumkur District
<b>Project Duration</b>	1-3 Years (Medium Term)
<b>Project Implementing Agency</b>	Department of Women and Child Development
<b>Objective</b>	Strengthening of the existing Anganwadis and Construction of new Anganwadis
<b>Output</b>	<ol style="list-style-type: none"> <li>1. 74 new Anganwadis construction</li> <li>2. 8 existing Anganwadi upgradation</li> <li>3. Playing equipment to all the 82 Anganwadis</li> <li>4. Provision of nutrition for 521 children (0-6 years age) and 112 women for 5 years</li> </ol>
<b>Justification</b>	<p>Gubbi Taluka is badly affected by mining related activities. There are 8 Anganwadi presently in the Gubbi Taluka which need to be strengthened and 74 new Anganwadis are required to be constructed to cover all the vulnerable population.</p>
