

Sector	Development of Vulnerable Sections
Name of the Project	<p>1. Strengthening & Renovation of ST Post-Metric Boys Hostels (3 nos.) and ST Post Metric Girls Hostels-(1 No.) in Ballari Taluka , and,</p> <p>2. Strengthening & Renovation of ST Pre-Metric Boys Hostel (2 nos.), ST Post-Metric Boys Hostel (1 no.), ST Post Metric Girls Hostel (1 no.) in Sandur Taluka</p>
Submitted by	Tribal Welfare Department
Total Cost	INR 8.38 Cr.
Coverage	Ballari, Sandur talukas
Project Duration	Short Term (<1 year)
PIA	Tribal Welfare Department, Ballari
Objective	Infrastructure strengthening and renovation of ST Pre-Metric, Post-Metric Hostels for Boys and Girls.
Output (s)	<ul style="list-style-type: none"> • Construction of additional rooms-37 nos. • RO System Upgradation-8 nos. • Laptop upgradation-4 nos. • Construction of over 60 toilets and 45 bathrooms • E-Library (80 computers, 80 chairs, 80 tables)-8 nos. • UPS 5 KV with batteries (upgradation)-26 nos. • Solar water heaters upgradation (500 litre) - 284 nos. • 25 W Solar Street LED lights, Cycle stands • Overall infrastructure strengthening including all fittings and facilities in the hostels
Justification	<ul style="list-style-type: none"> • The ST Hostels are located in the mining affected areas of Ballari District. • They have been badly affected by the mining activities. • Over 1000 students from backward classes residing in these hostels don't have access to good residential facilities which affects their education. • Funds provided by State Govt. are not sufficient. <p>Therefore, the project is proposed for funding from KMERC under CEPMIZ.</p>
Outcome (s) (Expected Measurable Benefits)	<ol style="list-style-type: none"> 1. Provision of pure drinking water will maintain health amongst students. 2. Improvement in living conditions due to better infrastructure amenities in the hostels. 3. Use of solar power will reduce dependence on non-renewable sources of energy.
