

**Sub: Approval of projects proposed by Dept. of Women and Child Development under Development of Vulnerable Sections sector**

The following project proposals have been received from the Dept. of Women and Child Development under Development of Vulnerable Sections sector for funding by KMERC under CEPMIZ.

**Project No. 1**

<b>Sector</b>	<b>Development of Vulnerable Sections</b>
<b>Name of the Project</b>	Construction of new Anganwadis (46) and upgradation of old Anganwadis (227)
<b>Proposal submitted by</b>	Department of Women and Child Development
<b>Total Project Cost</b>	Approx. INR 63.08 Cr.
<b>Location</b>	Sandur Taluk of Ballari District
<b>Project Duration</b>	1-3 Years (Medium Term)
<b>Project Implementing Agency</b>	Department of Women and Child Development
<b>Objective</b>	Strengthening of the existing Anganwadis and Construction of new Anganwadis
<b>Output</b>	<ol style="list-style-type: none"><li>1. 56 (46+10) new Anganwadis construction</li><li>2. 227 existing Anganwadis upgradation</li><li>3. Playing equipment to all the 273 Anganwadis</li><li>4. Provision of nutrition for 19,000 children (0-6 years age) and 3,820 women for 5 years</li></ol>
<b>Justification</b>	Sandur Taluka is the hub of the iron ore mining and all the villages in the Taluka are badly affected by mining related activities. There are 227 Anganwadis presently in the Sandur Taluka which need to be strengthened.
