

Sector	Roads & Communication
Name of the Project	Improvements to Hirebennur-Sirigere-Sasalu road from KM 0.00 to 13.00 in Chitradurga Taluk of Chitradurga district - CC Road (up to D. Madakaripura)
Proposal submitted by	Public Works Department
Total Project Cost	INR 65.00 Cr.
Coverage	8 villages of Chitradurga Taluk
Project Duration	2 Years (Medium Term)
Project Implementing Agency	PWD Sub-Division Chitradurga
Objective	To ease the traffic for safe movement of mining vehicles and increase the economic and social condition of the people.
Output	13 Km long, 7.00 m wide CC Road
Justification	<p>This is a Major District Road starting from NH 48 (Hirebennuru) and passes through 8 villages and ends at Sasalu. There are two Mines Sesagoa and Jana Mines with high mineral production. By improving this road, the mining vehicles can move easily as well as the economic and social condition of the people will increase remarkably.</p> <p>Since no other funds are available, this project is proposed under CEP Miz for funding.</p>
Outcome (Expected Measurable Benefits)	<ul style="list-style-type: none"> ▪ Connects 8 villages serving 9439 population. ▪ Improved Accessibility to Health / Education / Markets etc. ▪ Increased employment / Business opportunity ▪ Increase in Agriculture Income
