**While implementing/executing the Project, the concerned Implementing Agency should strictly adhere to following conditions:**

**A. General conditions: -**

1. The approved Project should be taken up as per the prevailing norms / rules of the Implementing Department.
2. The Implementing Agency should ensure that the works approved by KMERC are not executed under any other Schemes/ Department, including DMF Funds.
3. The concerned Administrative Department/ Implementing Agency may not entrust the implementation of the approved work(s) to another Administrative Department/ Implementing Government Agency without the permission of KMERC.
4. The projects are to be taken up only on undisputed Govt. land/ community land with the prior approval of the concerned revenue authority to avoid any legal complications. The concerned Administrative Department/ Implementing Agency shall be solely responsible for ensuring compliance to all related obligations/legal requirements including but not limited to Environmental/Forest Clearances, queries under RTI, Social Audits or any stakeholder consultations, as may be required for implementation of works approved by KMERC. The activities to be taken up within the forest areas shall necessarily conform to the Approved Working Plans of the Karnataka Forest Department and the permission of Karnataka Forest department should be obtained.
5. A Board depicting Project details be erected at a conspicuous place mentioning the details of the scheme / year of execution/ project cost/ Executing Department & Agency/date of commencement & completion/Defect liability period etc., in both Kannada and English language, as provided in the KMERC Website.
6. The works shall be carried out as per the standard specification of items in the sanctioned estimate. Mandatory quality check(s) should be conducted by designated qualified staff at different levels, as per the approved norms

of the concerned Administrative Department/ Implementing Government Agency. Inspection & Quality control register shall invariably be maintained for each work of the project and the quantity of works shall also be duly checked and verified and should be made accessible to KMERC during Inspection and provide copies, whenever sought.

7. Progress report of the project shall be periodically (monthly/quarterly/annually/project-end) uploaded on the KMERC portal & Digital copies of the same should be sent to KMERC, along with photos with geo-coordinates and small-sized videos at every stage of project-implementation.
8. On completion of the approved project, a consolidated report of the work done, and assets created (if any) shall be submitted to KMERC. Details of completed project should be incorporated in Google Earth and the duly verified Kmz/Kml file be sent to KMERC for record.
9. The department shall maintain Asset register for all the assets created under the CEPMZ Project.
10. The CEPMZ asset created shall not be disposed off, encumbered or utilized for purpose other than for which funds have been provided by KMERC.
11. Prior approval from KMERC shall necessarily be taken for any change in the cost, scope or location of the project work approved hereunder.
12. Funds for the project are readily available and will be released based on progress. No additional funds, over and above the amount sanctioned hereby are provided, due to Tender premium, delay in execution or any other reason.
13. The cost of DPR preparation shall be reimbursed /provided as per the actual requirement, which could be based on the guidelines/ norms of the kind of works and arrived as per KTPP Act.
14. The executing agency shall prepare the list of the Villages/beneficiaries (wherever applicable) who are to benefit from the projects and provide to KMERC & upload in the KMERC portal.

15. Success stories of the implemented projects are to be prepared and provided to KMERC by the executing agencies after completion of the projects.
16. Separate account/cash book are to be maintained at the executing agency level for the scheme. The books of Accounts of the Implementing Government Agency may be scrutinized periodically by the Internal Auditor of KMERC, as well as annually by Accountant General.
17. Utilization Certificates should be submitted after utilization of funds released.
18. Concerned department shall ensure internal Audit of the CEPMZ project expenditure, annually and submit the report to the KMERC, along with Action Taken Report.
19. The concerned Administrative Department/ Implementing Government Agency shall ensure the post-project sustainability in terms of the Operations and Maintenance (O&M) aspects of the project works, as agreed during submission of the proposal.
20. The Implementing Agency shall also carry out concurrent monitoring and 3<sup>rd</sup> party evaluation of the project and shall share reports to KMERC and on its portal.
21. Funds will be released based on the monthly/ milestone based physical progress. The Implementing Agency should submit the details of child account, IFSC Code, Bank names etc., for transfer of funds by KMERC.
22. The Implementing Department/Agency shall be responsible for all payments made or recommended by it to be made on account of the project.
23. The prescriptions/directions/instructions given in the financial management guidelines and the project implementation manual prepared and published in the KMERC Website should be followed, where ever applicable. All registers, formats, documents, records should be maintained as said in the guidelines.

24. The proposed project must be site specific with Geo-tagged photos, short videos and success stories of the implemented projects are to be prepared and provided to KMERC by the executing agencies after completion of the projects.

**B: Project specific conditions:-**

25. The total fund allocation should be as per existing departmental norms Guideline. The DPR preparation cost will be within 1% of allocated provision. Correction should be made restricting DPR preparation cost to 1% while preparing DPR through Net planning with detailed survey. However, it will be restricted up to 1% or to the actuals whichever is less while making the payment.
26. The Total administrative cost should be restricted up to or within 13% of the project cost (1% DPR preparation cost, 2% ME & LD cost, 10% Administrative cost).
27. The Forest Area and the Non-Treatable areas should be excluded from treatment and certificate has to be provided in the final DPR which will be submitted after Net planning exercise.
28. It is suggested and should be ensured that Agro Forestry should not be taken up by Forest Department in watershed areas. Road side plantations and urban/institutional planting which needs technical skill can be carried out by Forest department.
29. The work expenditure bills of completed works should be examined and recommended by the Controlling officer of the implementing agency in the department to KMERC for release of funds.
30. Payments for DPR Preparation cost should be made as per actuals keeping in mind the cost of the project.
31. It is suggested to construct all Check dams with RCC structures, keeping in mind its longevity.

32. The assets created in common land can be identified and maintenance can be provided. This must be entrusted to dedicated institution/user groups to look after for long term sustenance, to safe guard and protect such assets
33. Arecanut should not be promoted in any watershed development project, being water intensive crop. But activities such as making Arecanut plates and Arecanut processing etc. can be taken up under Production system or Livelihood activities.
34. The livelihood item to be taken up under the project should not be overlapping with NRLM or other programme.
35. The LRI should be done through some expert institutions to obtain complete information about Soil and Water and Nutrient content and same to be used in planning and execution of the project.
36. While choosing beneficiaries for distribution/issual of benefits emphasis should be given to vulnerable household, unemployed youths, women and poor people under the project.
37. Detailed DPR which will be prepared next by the Department through net planning should have Survey Number wise, location wise, beneficiary wise details. Global co-ordinates of the structures and other activities should be provided which will help in avoiding overlapping of the project components. This information should be made available in public domain.
38. Detailed estimates for each works and structures should be duly prepared, countersigned and scrutinized by the competent authorities and submitted as Technical DPRs/addendum/Annexures along with final project DPRs. On approval of this only funds will be released.
39. Forest Department at the local level can be consulted and DPRs can be exchanged to avoid the overlapping of the activities.
40. The tree saplings (Perennial trees) can be planted between the bund and mound for sustainability of Agro-forestry. To achieve better survival rate, saplings planted should be watered during summer months. While choosing the species Silviculture knowledge, economic viability, usefulness to farmers should be considered.

41. Existing Kalyani wells, step wells and traditional water harvesting structures in the watershed should be compulsorily identified and proposed for their rejuvenation.
42. Maps showing present land use viz project land, Agriculture land, Forest land, etc. are to be provided along with the detailed DPRs.
43. All the projects must have a measurable outcome, against which it should be possible to be evaluated.
